

YOUR GLOW SHOULD SHOW WHO YOU KNOW!

If your sins are forgiven and you have the gifts of eternal life in heaven and the Holy Spirit, then you should be the most joyful person where you work!

The week between Palm Sunday (April 13) and Easter Sunday (April 20) is the **26th annual Joy At Work Week** sponsored by *Northeast Christians At Work* and *Called To Work*. Ask the Holy Spirit to fill you, and let His joy transform each day. Your smile will make a big difference in your attitude and your influence for Christ in the workplace. Try it this week and see!
