

Christian Business Owner

Declaration of Independence

by Drew M. Crandall, President

“stand fast therefore in the liberty wherewith Christ hath made us free, and be not entangled again with the yoke of bondage.” – Galatians 5:1

- ✝ As a *Christian* business owner, **I am free** to lead my business with love, joy, peace, patience, gentleness, goodness, faith, meekness, and self-control through the power of the indwelling Holy Spirit!

- ✝ As a *Christian* business owner, **I am free** to courageously and boldly abide in God’s Call as a “minister in the marketplace.” I have the liberty to share the Gospel and to be a Godly business leader in word and in deed!

- ✝ As a *Christian* business owner, **I am free** from being manipulated by other people, including customers, employees, and suppliers. I am also free from manipulating others. I have the liberty to build win-win relationships!

- ✝ As a *Christian* business owner, **I am free** of covetousness. I have the liberty to lay up my treasures in heaven instead of here on earth. I have the freedom to avoid debt, to pay my taxes, to compensate people fairly and on-time, and to avoid the accumulation of material goods that have no eternal value!

“If the Son therefore shall make you free, ye shall be free indeed.” – John 8:36
