## That's why I'm so happy at work!

There was a time when I didn't believe that the Bible was the Word of God. I didn't believe that Jesus was the Son of God. I didn't believe that Jesus died on the cross for my sins. I didn't believe that by repenting of my sins and trusting Him as my personal Lord and Savior, I could be forgiven and receive the free gift of eternal life in heaven. It all sounded like a fairy tale. It sounded too bizarre. Too simple. Too old-fashioned. Too unbelievable.

Then one day, I came to a point in my life when I made a deliberate, conscious, free-will choice to believe. It was the greatest moment of my life! On that day, I received the gift of eternal life in heaven...not

*"O death, where is thy sting? O grave, where is thy victory? The sting of death is sin; and the strength of sin is the law. But thanks be to God, which giveth us the victory through our Lord Jesus Christ."

because of my stellar good works, but because I called upon the Lord to save my soul...and He did!

When I trusted Jesus as my Savior, something else wonderful happened. The Holy Spirit came to dwell within me. I can't explain it, but I know it happened. I now have the joy of the Lord in my heart, which is why I can come to work each day happy!

I'd be delighted to talk about Jesus with you before work, during a break, during lunch, or after work. For me, Jesus did rise from the dead and I don't have to worry about death ever again. *Yahoo!*
